CSR Initiatives

2024-25

As part of our Corporate Social Responsibility initiatives, we have dedicated to promoting **human and animal welfare** and supporting a **greener, healthier environment**. We have actively contributed towards care, shelter, food and protection of animals and human through awareness programs. Alongside this, we are committed to environmental sustainability by encouraging tree plantation, reducing waste, and supporting green initiatives that help preserve the natural beauty. Through these efforts, we aim to create a compassionate and sustainable community for future generations.
